The Inspired Scholar, LLC Policies 2022-2023

Registration

An annual, non-transferable, and non-refundable registration fee is required **for each family per school year**. Enjoy the most savings by signing up early. Registration saves your child's place in class.

\$45 (April-May)

\$55 (June-July)

\$65 (Aug-Sept)

Classes

Instructors do not replace homeschooling parents but assist them in their educational endeavors. Parents should plan to be involved and oversee their child's work and that they are submitting assignments on a timely basis. Course instruction must be completed by the end of the semester or year (for year-long) courses. On-demand classes must be completed within one year after start date.

All homework assignments are submitted online through Canvas. Assignments, feedback, and grades are found on Canvas. **Each child needs his or her own account**. Parents **do not** need a separate account as you can use your child's login to view their records. **DO NOT** create a separate parent account. Please include the email address that your child will be using to access his Canvas account as each child has to have his own email address for Canvas.

For live classes, each assignment has a due date and I do not accept late assignments, give feedback, or grade them unless there is an extenuating circumstance – illness, or travel, for instance.

Computer Requirements

Students must have a high-speed internet connection and the ability to submit Word documents. Those who use Apple computers (Mac) must convert documents to Word.

Students meet online with me via a Zoom link. Prepare your computer ahead of time by downloading the Zoom software, making sure that your speakers and webcam are all working as I want to see and hear my students.

Tuition

Once you receive the invoice, tuition can be paid online or by check. Although tuition may be paid monthly, enrolling in a class is a commitment to pay through the current semester. (Fall semester: August-December; Spring Semester: January-May). Paying the first month's tuition constitutes enrolling in a course. A 10% discount is offered to those who pay by the semester. Multiple child discounts are available for three or more. The youngest child's tuition is discounted 10%.

Late Fees

Monthly tuition is due the first Monday of the month in: Sept., Oct., Nov., and Dec., Jan. Feb., Mar. and Apr. *Semester tuition* is due the first Monday of the month in September and January.

A late fee of \$15 per week is assessed until payment is made. If tuition is 4 weeks late, the student will be dropped from the course and tuition for the entire semester and the late fees will still be owed.
