

Math Help – Chess Club

Dates: Sept 14, 2021 – May 12, 2022

Instructor: Debbie Johnson

Thursday Afternoons Noon – 1:15 In person

Bethesda House of Mercy, 209 Howard St, Floyd, Virginia

Pre-requisite:

None

Course Description:

This hour is for anyone who needs help with Math. In addition I will be providing instruction and practice in chess to strengthen concentration skills.

Tuition: Free

Texts:

None

Other Materials:

Chess Set. Pencil and paper to take notation if desired.

Goals and Objectives:

This is an open format session. For the tutoring please bring the materials you would like help with. For the chess club I will set up a ladder competition with possible awards and tournaments at the end of the year if there is interest.
